

# The Skilling Newsletter

Issue #1 - February 2026

**iiskills.cloud - Indian Institute of Professional Skills Development**

## Welcome to Our First Newsletter!

We're excited to launch The Skilling Newsletter - your source for updates about new courses and important announcements at iiskills.cloud.

## Platform Launch

We're thrilled to announce the official launch of iiskills.cloud, India's most affordable professional skills development platform. Our mission is to contribute to **Viksit Bharat** (Developed India) by making quality education accessible to everyone.

## 10 Courses Now Available

We're launching with 10 carefully curated courses designed to provide immediately applicable professional and personal skills:

**Learn AI** - Artificial Intelligence fundamentals and practical applications

**Learn Aptitude** - FREE course for competitive exam preparation

**Learn Chemistry** - Essential chemistry concepts and applications

**Learn Geography** - Understanding our world and its systems

**Learn Leadership** - Develop essential leadership and management skills

**Learn Management** - Business and project management fundamentals

**Learn Math** - Mathematical concepts for everyday and professional use

**Learn Physics** - Physics principles and real-world applications

**Learn PR** - Public Relations and brand building strategies

**Learn Winning** - Personal development and success strategies

## Unbeatable Pricing

**Introductory Offer:** ₹236.99 per course (including GST)

*Valid until February 28, 2026*

One course includes access to Learn Aptitude for FREE!

## What Makes Us Different?

- 100% Online - Learn from anywhere, anytime
- Affordable for everyone - No hidden fees
- Practical, immediately applicable skills
- Mobile-friendly platform
- Support for local languages through browser translation

## What to Expect from This Newsletter

You'll receive updates ONLY when:

- New courses are launched
- Important platform updates are made
- Special opportunities become available

*No spam, no unnecessary emails - we respect your inbox!*

### Our Vision

We believe in democratizing education and contributing to India's development by empowering every citizen with skills needed for personal and professional growth. Every course is designed to bridge the skill gap and create opportunities for all, regardless of background, location, or economic status.
